Insurance coverage begins upon receipt of the application by International Aquanautic Club GmbH & Co. KG and will be confirmed by the latter in a separate letter. The insurance is automatically extended for another year unless notice of termination is received by International Aquanautic Club GmbH & Co. KG at least 4 weeks before the insurance expires. The insurance confirmation is issued in German. If other languages are required, this must be requested in individual cases before the insurance is taken out.

The amount will be debited from the specified account within 10 days of invoicing. If the insurance premium is not paid or payment fails for technical reasons, the claim for payment shall nevertheless remain valid, as the service has already been provided.
